## Major Reference Works

[St. Michael's 1st Floor Reference Area – DA 772 .C618 2000]

Brief entries about individual persons, places, groups, and topics.

[St. Michael's 1st Floor Reference Area – DA 757.9 .O94 2005]

Longer articles than in the *Collins Encyclopedia of Scotland* – but on a more select list of topics. Very few articles on individual persons.

Some articles include a few bibliographical references – but these are now somewhat dated.

**Oxford Dictionary of National Biography.**  
[Available online for UofT use: http://www.library.utoronto.ca]

Of the 58,000 men and women included in this work, over 6000 were born or lived in Scotland. The articles are thorough and authoritative, and include bibliographical references.
