Search Strategy

1. Describe Your Topic

2. Identify Keywords and Synonyms:

   Main Concept  Concept 2  Concept 3
   ( )          ( )          ( )

3. Find synonyms

   Main Concept  Concept 2  Concept 3
   (OR)         (OR)         (OR)
   (AND)        (AND)        (AND)

4. Conduct a search in the Library homepage or in an article database (e.g. Web of Science). Describe the search words used.
a. How many results did you get?

b. Did you refine your results further, if so, how? (i.e. by Publication date, peer-reviewed, magazines, journal title, etc).

5. What did you find? Describe at least one source
