Finding an Electronic Journal

1. You can find electronic journals by searching our catalogue. Go to library.utm.utoronto.ca and click on Journals tab:

   ![Catalogue](image1)

2. Type in the title of the journal using quotation marks in the “Search for a journal” box. Click the search button.

   ![Search Catalogue](image2)

3. Look for the record with the “Web” buttons. The dates listed are the publications years. Use them to select the provider. Click on the link to browse the journal.
